

# Indian Lake

## Christian Camp

God is doing amazing things at Indian Lake! We are so excited to be a part of His work and on the front line of seeing campers experience God by unplugging and opening their hearts and minds to his Word.

The 2018 summer has a full schedule and lots of our week-end rentals this past year have already booked for next year! We are very excited to see this increase in rentals and look forward to more this year! Please be praying for more campers! We have a goal of 50-60 campers per week this summer! Tell your friends and like our FB page! We will be offering coupons and free Canteen cards as incentives to register for camp early this year! Registration is now open online!

### Volunteer Spotlight

Jim and Eva Francovitch have been a huge help in getting camp ready for campers! Miss Eva is the Queen of Cuisine and Mr. Jim is the King of DIY! There is nothing this dy-

amic duo cannot do! They work tirelessly promoting camp, making delicious food that makes campers want to return and celebrating what God is doing for camp and in their lives. They would like to become live-in caretakers for camp and we are very excited to see this transition happen! Please pray for that!

## Camp Highlight

The Baltimore City Police Department brought 50 at risk youth to camp for the Youth Leadership Summit. The campers did not know that they interacted with police officers the whole week until the reveal when the officers showed up in full dress uniform. It was a powerful week and we were very excited to support the work of the Community Collaboration Division of the Baltimore City Police Department. Check out a video of the week at:
