CELEBRATE

50 Years of Camp

The very first week of summer camp was held in July of 1969 and the campers slept in tents! At that time, a week of camp cost \$15. \$5 to reserve your spot and \$10 at drop off! Times have certainly changed, but the point of camp has not! Camp is a place of refuge from a crazy world. We would love for you to join us in celebrating 50 years of Indian Lake Christian Camp on May 18, 2019. We want to welcome you home to see camp again. We will have a picnic with food, games, crafts and family fun. Come anytime between 12-4pm. There will be a stage presentation at 2:30. If you would share stories and pictures of your time at camp, we would love to include them. You can email them to camp or post them on our Facebook or instagram pages. We will put these stories together to highlight all that camp has meant to past campers.

2019 Important Dates:

- Camp Input Meeting – January 19, 9am Fork Christian Church
- Camp Work Days – January 12, February 9, March 2, March 16, April 6 meet from 9am – 1pm

“This year was my son’s first time going. He really enjoyed himself. They got him to come out of his shell which is awesome. As I am writing this he comes out of his room crying because he wants to go back.

Keep up the good work”

Summer Camp

The summer camp experience covered kids from grades 1 to 9, for a total of 315 campers. They got to experience God through 128 great counselors, camp nurses and amazing Deans. Camp days were filled with the zipline, giant swing, a cruise down the huge slip-n-slide and a color run! Bible verses were memorized, prayers prayed, worship songs sung and hearts were changed! There were even 3 baptisms at camp this summer!

We want to give a huge thank you to the churches that provided us incredible Deans and volunteers to make the camp weeks happen! Thanks to Severn Christian Church for Carl Hetzer and his team of volunteers; Mountain Christian Church for Dawn Willig, Hillary MacLellan, Joel

Armes, Cary Machado, Jenny Krichton and their supporting volunteers; Vibrant Church for Jennifer Dillman and her volunteers; Slavic Church of Christ for Nadya Olyshko and her volunteers.

We would also like to thank Syiera and Kaedyn Scruggs for being camp helpers! Kaedyn jumps in and helps wherever needed and Syiera was our unofficial/official camp photographer! This year camp used Waldo Photo to text parents pictures of their kids during their week. Syiera uploaded over 20,000 photos of our campers!

Renovations

Thanks to Fork Christian Church for donating their 2017 Christmas offering to camp! It took from January through June to renovate the Bathhouse! It now has new floors, walls, sinks, partitions, toilets and all new plumbing! This was a huge undertaking and we had lots of teams from our supporting churches come and help!

The Rec Cabin also got a facelift by Girl Scout Troop 220. This troop had done an encampment at our camp the previous year and it rained the entire weekend! From that experience, they decided to put together a rainy day cabin at camp! They collected games, books, puzzles and money to make our Rec Cabin a fun place to play! It now has tables and chairs, cushy flooring, soft pillows to snuggle into with a good book, and ping pong and Foosball tables! It's a great place to have small group, play a game or just chill with a book! This project earned the Girl Scouts their Bronze award!
