

OVERNIGHT CAMPER PACKING LIST

The following is a list of suggested items to bring to camp. Most campers bring their belongings in a footlocker (aka trunk) or similar storage unit. The size of the storage unit should be based on your child's individual needs and it does not need to fit under their bed. Lightweight, moisture wicking shirts and shorts work great for playing outdoors and getting wet. We suggest packing enough clothes for at least seven days. All clothing and belongings should be marked with your child's name. It is a good idea to tape a list of your child's belongings to the inside lid of their storage unit. Items with an * are optional.

CLOTHING
